RE: PROGRESS REPORT NO. 21
PRAIRIE TRAIL – SW MAGAZINE ROAD/SW CHERRY STREET
PAVING PROJECT
PROJECT NO. 108.1003

Dear Paul,

Enclosed is our twenty-first invoice for the above referenced project for work performed through August 19, 2010.

During this period, we have overseen the construction of the U.S. 69 and SW Magazine Road intersection project and the SW Magazine Road and SW Cherry Street paving project and coordinated utility company relocations. We also finalized the plans for the next phase of the project, SW Magazine Road from SW Cherry Street to SW State Street. Those improvements are scheduled for a September 14, 2010 bid opening with construction commencing in late September.

Over the next month, we will open bids for the last phase of the project, and continue with construction administration on the two on-going projects along U.S. 69 and adjacent to the new high school and middle school.

Please feel free to contact me with any questions.

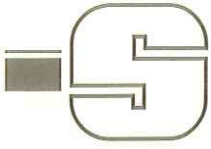

Sincerely,

SNYDER & ASSOCIATES, INC.

Mark A. Land, P.E.
Project Director
